Pinking Shears

Category: **Sewing, Textile & Handicraft** Type: **Short SOP** Priority: **Medium** 7 labs

Covers these lab items: Pinking shears; Zigzag/ Pinking shear

What it is used for

Use pinking shears to cut fabric with a zigzag edge that helps reduce fraying on suitable textile materials.

How to use

1. Inspect the blades, pivot, and handles for damage or looseness.
2. Choose fabric suitable for pinking shears and confirm the cutting line.
3. Place the fabric flat on a stable cutting surface.
4. Align the blades with the marked line and keep fingers clear of the cutting edge.
5. Cut with smooth, full strokes without twisting the shears.
6. Check the zigzag edge and trim any missed sections carefully.
7. Clean and close the shears after use.

⚠ Safety

- Keep fingers away from the serrated cutting edges.
- Do not use the shears to cut paper, wire, or unsuitable materials.
- Do not force stiff or thick materials through the blades.
- Close the shears when not in use and store them safely.

Care & storage

- Remove fabric fibres from the blades and pivot after use.
- Store dry with the blades closed to protect the cutting edges.
