Perm Curler

Category: **Beauty, Wellness & Fitness** Type: **Short SOP** Priority: **Medium** 6 labs

Covers these lab items: Curling Rods; Curling Rods (Small, Medium, Large); Perm curlers; Perm curlers (various sizes)

What it is used for

Perm curlers are used to wrap hair into sections during a permanent waving treatment. Select curler size according to hair length, desired curl, and the treatment method.

How to use

1. Inspect curlers for cracks, sharp edges, and cleanliness.
2. Wash or prepare the hair according to the treatment instructions.
3. Section the hair evenly and select an appropriate curler size.
4. Comb each section smoothly and wrap it around the curler without excessive tension.
5. Secure the curler without pulling the scalp or creasing the hair.
6. After the prescribed processing time, remove curlers carefully and clean them.

⚠ Safety

- Follow product instructions and avoid contact of perm chemicals with eyes and skin.
- Do not wrap hair so tightly that it causes pain or scalp tension.
- Use clean curlers for each client and follow salon hygiene procedures.

Care & storage

- Clean and dry curlers after use, then store them in a clean container.
