Grater

Category: **Food Processing & Kitchen** Type: **Short SOP** Priority: **Medium** 3 labs

Covers these lab items: Grater; Grater/ Shredder

What it is used for

To grate, shred, or finely reduce food ingredients for preparation and cooking.

How to handle

- Inspect the grater for damage, rust, loose parts, and cleanliness before use.
- Place the grater on a stable surface or hold it securely by its handle.
- Use the appropriate grating surface and move food carefully, keeping fingers away from sharp holes or blades.
- Use a food holder or protective guard when the remaining piece becomes small.
- Wash and dry the grater thoroughly after use, handling sharp edges carefully.

Storage

- Store clean and completely dry in a designated kitchen drawer or utensil rack.
- Use a protective cover where available and keep sharp surfaces away from hands.

Disclaimer: This SOP is prepared from general information available on the internet. For detailed instructions, refer to the manufacturer's original manual / file.
