Bendy Roller

Category: **Beauty, Wellness & Fitness** Type: **Short SOP** Priority: **Medium** 2 labs

Covers these lab items: Bendy rollers

What it is used for

To shape or curl hair using flexible bendy rollers without excessive heat.

How to handle

- Inspect rollers for cracks, sharp edges, residue, or damaged foam.
- Start with clean, slightly damp or dry hair as recommended for the desired style.
- Separate a small hair section, position the roller at the ends, and roll evenly toward the scalp without pulling tightly.
- Bend or secure the roller gently so it stays in place without discomfort.
- Remove rollers carefully and clean them after use; do not share without proper cleaning.

Storage

- Clean and dry rollers completely before storing.
- Keep in a clean, ventilated container away from direct heat and dust.

Disclaimer: This SOP is prepared from general information available on the internet. For detailed instructions, refer to the manufacturer's original manual / file.
