Goal Post

Category: **Sports & Physical Education** Type: **Short SOP** Priority: **Medium** 1 labs

Covers these lab items: Pop up Goal post

What it is used for

A pop-up goal post provides a portable target for football and other suitable sports activities. Set it up securely and check stability before play.

How to use

1. Inspect the frame, joints, net, pegs, and carry bag for damage.
2. Choose a level playing area clear of hazards and obstructions.
3. Unfold the frame according to the manufacturer's setup instructions.
4. Attach the net and secure all designated clips or fasteners.
5. Anchor the goal using the supplied pegs or approved weights where appropriate.
6. Check that the goal is stable and the net is properly attached.
7. After play, remove anchors, fold the goal as instructed, and store it.

⚠ Safety

- Do not climb, hang, or swing from the goal frame.
- Secure the goal against wind or accidental movement.
- Keep players clear while unfolding or folding the frame.
- Do not use damaged joints, sharp parts, or unstable anchors.

Care & storage

- Remove dirt and moisture, allow the net to dry, and store the goal in its bag.

Disclaimer: This SOP is prepared from general information available on the internet. For detailed instructions, refer to the manufacturer's original manual / file.
