Dye

Category: **Sewing, Textile & Handicraft** Type: **Handling note** Priority: **Medium** 3 labs

Covers these lab items: Dyes (kg); Natural dyes (kg); Synthetic dyes (kg)

What it is used for

Dyes colour textile, craft, and other suitable materials when prepared and applied according to their type.

How to handle

- Identify the dye type, material compatibility, label instructions, and required protective equipment.
- Measure and prepare dye using dedicated tools in a ventilated work area.
- Avoid skin or eye contact, inhalation of powder, and contamination of food or drinking water.
- Follow specified processing, rinsing, and wastewater disposal instructions.

Storage

- Keep dyes sealed in labelled containers away from moisture, heat, and direct sunlight.
- Separate incompatible dyes and keep them away from food and drink.
