What it is used for

Hair rollers shape curls or add volume during hairstyling and beauty training.

How to handle

- Inspect rollers, pins, clips, and wires for damage or sharp edges.
- Select a roller size suitable for the hairstyle and hair length.
- Use clean rollers on prepared hair and avoid pulling hair excessively tight.
- If using heated rollers, follow the manufacturer's temperature and cooling instructions.
- Remove rollers gently and clean them after each client.

Storage

- Store rollers and accessories in a clean, dry container separated by size.
- Keep heated equipment away from flammable materials while cooling.
