Presentation Slides

Category: **Teaching Aids, Charts, Books & Software** Type: **Handling note** Priority: **Low** 12 labs

Covers these lab items: Power Point Presentation; Presentation Slides; Presentations

What it is used for

Presentation slides organise visual information for teaching, reporting, demonstrations, and professional communication.

How to handle

- Verify content accuracy, slide order, readability, and suitability for the audience.
- Use authorised images and media and respect copyright and privacy requirements.
- Test fonts, links, audio, video, and display compatibility before presenting.
- Keep a backup copy and avoid sharing confidential content with unauthorised audiences.

Storage

- Save slides in approved folders with clear filenames and version details.
- Maintain backups and protect files with appropriate access permissions.

Disclaimer: This SOP is prepared from general information available on the internet. For detailed instructions, refer to the manufacturer's original manual / file.
