Tailor's Chalk

Category: **Sewing, Textile & Handicraft** Type: **Handling note** Priority: **Low** 10 labs

Covers these lab items: Marking chalk; Marking Chalk (yellow/pink/green/blue coloured), Tailor's Chalk, Carbon paper (A4, yellow, red and white carbon); Tailor's Chalk

What it is used for

Tailor's chalk marks temporary cutting, stitching, and design guides on fabric.

How to handle

- Select a chalk colour visible against the fabric.
- Test the chalk on a fabric scrap to check removability.
- Mark lightly using suitable rulers or pattern templates.
- Avoid pressing too hard or damaging delicate fabric.
- Brush away markings or remove them according to fabric care instructions.

Storage

- Keep chalk dry in a labelled container.
- Store separately from fabrics to prevent unwanted marks.
