Garbage Bag

Category: **Hospitality & Housekeeping** Type: **Handling note** Priority: **Low** 8 labs

Covers these lab items: Biodegradable trash bags; Garbage Bags; Garbage Bags Black; Garbage Bin/Bags

What it is used for

Garbage bags contain waste for hygienic collection, segregation, transport, and disposal.

How to handle

- Choose a bag suitable for the waste type, weight, and bin size.
- Check the bag for tears or leaks before lining the bin.
- Separate waste according to local rules and never place incompatible hazardous waste in ordinary bags.
- Avoid compressing waste by hand and tie bags securely before removal.
- Use appropriate PPE and clean spills promptly.

Storage

- Store unused bags in a dry, clean location away from heat.
- Keep bags organised by size and designated waste category.
