Highlighting Cap

Category: **Beauty, Wellness & Fitness** Type: **Handling note** Priority: **Low** 6 labs

Covers these lab items: Frosting Cap; Hi/lo-lighting cap

What it is used for

A highlighting cap helps separate hair sections during frosting or highlighting treatments.

How to handle

- Inspect the cap for tears, damaged holes, and a secure fit before use.
- Select a cap suitable for the client's hair and the planned treatment.
- Position the cap comfortably and avoid pulling hair or irritating the scalp.
- Use the specified hook carefully and keep its point away from the skin.
- Clean or dispose of the cap according to its design and salon hygiene procedure.

Storage

- Store reusable caps clean and dry in a labelled container.
- Keep disposable caps sealed until use.
