Sewing Kit

Category: **Sewing, Textile & Handicraft** Type: **Handling note** Priority: **Low** 3 labs

Covers these lab items: Sewing Box; Types of Scales: normal straight big ruler, hip curve, leg shaper, pattern master, French curve etc.; Sewing kit (Includes thread clipper/hand trimmer, seam ripper, fabric cutting scissors, tracing wheel, measuring tape etc.)

What it is used for

A sewing kit contains tools and supplies for stitching, repairs, measuring, and pattern-making activities.

How to handle

- Check threads, needles, scissors, clippers, rulers, and curves for damage or missing parts.
- Use the correct tool for each task and handle needles and cutting tools carefully.
- Keep pins and needles in a secure holder when not in use.
- Pass sharp tools handle-first and keep fingers clear when cutting or trimming.
- Return tools after use and count sharp items to prevent accidental injury.

Storage

- Keep the kit organised in a closed box or case.
- Store needles, scissors, and small accessories in designated compartments away from children.
