Hook

Category: **Consumables & Raw Materials** Type: **Handling note** Priority: **Low** 2 labs

Covers these lab items: Hook; Hooks

What it is used for

Handle hooks safely for their intended fastening or hanging use.

How to handle

- Identify the hook type and load limit before use.
- Check for sharp points, corrosion, or deformation.
- Use suitable fasteners and secure the hook firmly.
- Keep sharp hook ends away from hands and exposed skin.

Storage

- Store in labelled containers separated by size and type.
- Keep dry and secure to prevent punctures or corrosion.
