Ice Cube Tray

Category: **Food Processing & Kitchen** Type: **Handling note** Priority: **Low** 1 labs

Covers these lab items: Ice Cube Trays

What it is used for

Handle ice cube trays hygienically for food and beverage preparation.

How to handle

- Wash the tray before first use and after each use.
- Use food-safe trays and fill them with potable water or approved ingredients.
- Avoid touching ice-making surfaces with dirty hands.
- Do not use trays that are cracked, damaged, or contaminated.

Storage

- Allow the tray to dry or store it in the freezer as appropriate.
- Keep clean trays separate from chemicals and non-food items.

Disclaimer: This SOP is prepared from general information available on the internet. For detailed instructions, refer to the manufacturer's original manual / file.
