Seating Arrangement

Category: **Furniture, Storage & Display** Type: **Handling note** Priority: **Low** 1 labs

Covers these lab items: Seating arrangement in full / half circle format for one or more teams as per planned team composition (for team discussions)

What it is used for

Arrange seating to support organised team discussions and participation.

How to handle

- Arrange chairs in the planned full-circle or half-circle format according to team size.
- Keep aisles, doors, and emergency exits unobstructed.
- Ensure chairs are stable, evenly spaced, and accessible to all participants.
- Check visibility, audibility, and safe movement before the session begins.

Storage

- Return chairs and tables to their designated locations after the session.
- Keep furniture clean, dry, and arranged without blocking walkways.

Disclaimer: This SOP is prepared from general information available on the internet. For detailed instructions, refer to the manufacturer's original manual / file.
