Shading Stump

Category: **Sewing, Textile & Handicraft** Type: **Handling note** Priority: **Low** 1 labs

Covers these lab items: Shading stump

What it is used for

Handle a shading stump carefully for drawing, shading, and craft activities.

How to handle

- Inspect the stump for damage, loose parts, or sharp edges before use.
- Use it only for its intended shading or craft purpose.
- Keep it away from flames and avoid inhaling dust produced during use.
- Wash hands after handling if residue remains on the skin.

Storage

- Keep clean and dry in a labelled stationery or art-supply container.
- Store away from heat, moisture, and contamination.

Disclaimer: This SOP is prepared from general information available on the internet. For detailed instructions, refer to the manufacturer's original manual / file.
