What it is used for

Handle a yantra used for wellness or traditional practice respectfully and safely.

How to handle

- Identify the specific yantra and follow the supplier's or instructor's directions for its intended use.
- Inspect for sharp edges, breakage, loose components, or material that may cause irritation.
- Place it on a stable, clean surface and avoid unsafe heating, ingestion, or skin application unless explicitly approved for that purpose.
- Clean it using a method compatible with its material and intended use.

Storage

- Keep in a clean, dry, labelled container or designated display area.
- Protect from moisture, impact, direct sunlight, and unauthorised handling.
